Don't Know Why

Kenny G

I waited 'til I saw the sun I don't know why I didn't come I left you by the house of fun I don't know why I didn't come I don't know why I didn't comeWhen I saw the break of day I wished that I could fly away Instead of kneeling in the sand Catching teardrops in my handMy heart is drenched in wine But you'll be on my mind ForeverOut across the endless sea I would die in ecstasy But I'll be a bag of bones Driving down the road aloneMy heart is drenched in wine But you'll be on my mind ForeverSomething has to make you run I don't know why I didn't come I feel as empty as a drum I don't know why I didn't come I don't know why I didn't come I don't know why I didn't come
