

# Heart and Soul

## Huey Lewis & The News

Two o'clock this morning  
If she should come a calling  
I couldn't dream of turning her away And if it got hot and hectic  
I know she'd be electric  
I'd let her take her chances with me  
You see, she gets what she wants 'Cause she's heart and soul  
She's hot and cold  
She's got it all, hot loving every night Well, can't you see her standing there?  
See how she looks, see how she cares  
I let her steal the night away from me Nine o'clock this morning  
She left without a warning  
I let her take advantage of me  
You see, she got what she wanted 'Cause she's heart and soul  
She's hot and cold  
She's got it all, hot loving every night Yes, she's heart and soul  
She's hot and cold  
She's got it all  
She's heart and soul She's got loving every night  
She's got it all  
She's heart and soul She's heart and soul  
She's heart and soul  
She's heart and soul
