

Million Tears (Martin Van Lectro Remix)

Groove Coverage

I want to know where you belong,
I want to know why I sing this song.I try to show how much I feel,
is that a dream or is it real?I never look where you belong,
until I'm gonna sing my song.Is it a lie or is it true?
So many tears I've cried for youOh ho oh ho a million tears for you....
Oh ho oh ho a million tears for you....
Oh ho oh ho a million tears for you....
Oh ho oh ho a million tears for you....A Million tears that i have cried
I wish you where right by my side.I try to show how much I care
believe in me I will be there.I never knew where you belong,
whenever you just hear my song.Is it a lie or is it true?
So many tears I've cried for you.Oh ho oh ho a million tears for you....
Oh ho oh ho a million tears for you....
