

# This Is Mine (Cinemix)

## Heaven 17

No more wasting time  
Synchronize  
Tell them this is mine Don't  
Walk the other way  
Tell me you will stay  
Give me one more day  
So give up, I'm going on  
If you stop, It won't change  
One of us has lost the feeling  
Which of us is not believing now? You can have it all  
I don't need it  
Tell them this is mine  
Wanting is no crime  
Happens all the time  
When it gets you down  
Rise and leave it  
Tell them this is mine  
Push away the stone  
We are not alone Look into my eyes  
And together we will rise  
Above all we've seen  
We will realize, synchronize Tell them this is mine  
Wanting is no crime  
Happens all the time Hold  
Touch this hand of mine  
Come away and find  
What we left behind  
So move up, we're going on  
To the top, we'll take it  
One by one we've got the feeling  
Which of us is not believing now? Look into my eyes  
And together we will rise  
Above all we've seen  
We will realize, synchronize
