# Thread The Needle

## The Griswolds

My mama told me not to worry now
Cause I'm old enough to be alone
I bend my knees and pray to god
I've always been the most impulsive one
And I know where I've been going wrong
I bend my knees and pray to god
I bend my knees and pray to godOh my god I've tried to thread the needle
Into this old light
And I know sometimes it's hard to try
And I know sometimes it's hard to try
And I know sometimes, and I know sometimes
And I know, sometimes I hideYou'll find your feet, try not to worry now
Cause you're not too proud to need someone
I bend my knees and pray to god
I bend my knees and pray to godOh my god I've tried to thread the needle
Into this old light
And I know sometimes it's hard to try
And I know sometimes it's hard to try
Oh my god I've tried to thread the needle
Into this old light
And I know sometimes it's hard to try
And I know sometimes it's hard to try
And I know sometimes, and I know sometimes
I know, sometimes I hide
