

# That Awful Man

## The Muffs

You play 'Follow the leader'  
And I don't understand  
But why you wanna spend your life  
With that awful man? And he wants you for one thing  
And some more if he can  
And now you wanna spend your life  
With that awful man And he doesn't mean it  
When he says he loves you so  
Dedicated to himself  
As if you didn't know And he doesn't mean it  
When he says he loves you so  
Dedicated to himself  
As if you didn't know You play 'Follow the leader'  
And I don't understand  
Why you wanna spend your life  
With that awful man?  
Why you wanna spend your life  
With that awful man? Your father left you  
And no one loves you  
And you'll take it
