

# One X One

[INXS](#)

And when your heart stops beating  
And the stars stop shining  
When all your tears go dry Honey one by one  
I will still be there  
I will sing your song  
And come to you  
Oh oh all night long And is this all that it seems  
Cause this is all that we need  
When all the thorns are cut away Baby one by one  
Will you still be there  
Will you sing my song  
And come with me  
Oh oh all night long
