Drive

Throwing Muses

Drive your car through kitchen cupboard door
Through the winter, down to the floor
Drive your head to your bathroom tile
Smile 'round the corner
And your friends they wanna play
Do you wanna play games?It's alright, square your head
Your head is square
Go out with me, come out
Out, out, out, out, out, out1 2 3, 1 2 3, I didn't care
I didn't care, I didn't care
I didn't care, I didn't care, I didn't care
I wanted you to know, I didn't care, care, care, care
I always loved your hairI wanna fight the clouds with your head on a stick
Fight the bush with your water and your leaves
And you leave soFight with me, run the grass, run the road
The road home with me
In my head, in your heart, under your ribs
In my mind, sleep your box
I sleep in your mindI don't care, I don't care, I don't care
I don't care, I don't care, I don't care
I don't care, I don't care, I don't care
I don't care, I don't care, I don't care
I don't care, I don't care, I don't care
