

Candy (Demo)

Lovedrug

Five to three
Walls of candy
Sign my name on the dotted line
Next to yours You found the ways to move faster and stay healthy no contra
All these words are just a matter of time
You're like a snake in the water, with shiny skin, a clear conscious
Vemons fade in just a matter of time, in just a matter of time A matter of time
A matter of time
A matter of time And too cold for kisses, 'cause I've fallen from heaven
Your halo is just a punch in my face
You're all the rage, you're all the fun but ever if you cross me I'll get you
Sweet revenge is just a matter of time, it's just a matter of time A matter of time
A matter of time
A matter of time And so you're striking but
You're savage when you cut into my beautiful infection
But I can't help like it when we touch
Oh haven't we reaped enough to fill this room with sweet love, yeah
