

Feeding the Addiction

Suicidal Tendencies

Taste like addiction
Smells like addiction
This is addictionFeeding the addiction
Feeding the addiction
Feeding the addictionYou haven't eaten in days and your gums are bleeding
Swearing to God, the pipe's all you're needing
It's robbing or stealing or turning a trick
You do whatever it takes to suck on the Devil's dickThe more you feed it, the harder it is to tame
Taking in the Beast, playing it like a game
Lying to yourself, saying the same old shit
"I don't need it, I just don't want to quit"Taste like addiction
Smells like addiction
This is addictionFeeding the addiction
Feeding the addiction
Feeding the addictionThe hunger of the addiction calls
There's nothing romantic about going through withdrawals
You're craving a sample well, here's just a taste
Picking and scratching the scabs on your faceYour life support system's a syringe
Killing a piece of your soul every time you binge
Praying to God and begging for forgiveness
Knowing damn well that you can't keep on going on people like thisThis is addiction
Feed the addiction
This is addictionTaste like addiction
Smells like addiction
This is addictionI won't give up the plot but here's a few surprises
Muscle spasms, you're puking as your temperature rises
Led off to slaughter like a herd of cattle
The demons inside have won the battleThe devil takes another soul to burn
What does it take for another fool to learn
The ritual's over as another one dies
The ritual begins as another one triesIt's a feeding time
It's your feeding time
It's a feeding time
It's your feeding timeIt's a feeding time
It's your feeding time
It's a feeding time
Feeding the monsterCursing at God and praying to die
Cursing at God and praying to die
Cursing at God and begging to die

Cursing at God and begging to dieTaste like addiction
Smells like addiction
This is addictionFeeding the addiction
Feeding the addiction
Feeding the addiction
Feeding the addictionCursing at God and praying to die
Cursing at God and praying to die
