

# Better Things To Do

## Dealer

Don't tell me the reason that you're calling  
Is to see if I'm alright since you've been gone  
'Cause I know you and I know why we're talking  
You're wantin' me to say I'm barely hangin' on Well, maybe that was true  
For a night or two  
But now, I got better things to do I could wash my car in the rain  
Change my new guitar strings  
Mow the yard just the same  
As I did yesterday I don't need to waste my time  
Cryin' over you  
I got better things to do Maybe when I don't have so much going  
Or quite so many irons in the fire  
I'll take the time to miss you like you're hoping  
But now, I can't put forth the effort it requires Well, I'd love to talk to you  
But then, I'd miss Donahue  
That's right, I got better things to do I could wash my car in the rain  
Change my new guitar strings  
Mow the yard just the same  
As I did yesterday I don't need to waste my time  
Cryin' over you  
I got better things to do Check the air in my tires  
Straighten my stereo wires  
Count the stars in the sky  
Or just get on with my life I don't need to waste my time  
Cryin' over you  
I got better things to do  
I got better things to do, yeah
