History Repeating

Propellerheads

The word is about, there's something evolving
Whatever may come, the world keeps revolving
They say the next big thing is here
That the revolution's near
But to me it seems quite clear
That it's all just a little bit of history repeatingThe newspaper shouts a new style is growing
But it don't know if it's coming or going
There is fashion, there is fad
Some is good, some is bad
And the joke is rather sad
That it's all just a little bit of history repeatingAnd I've seen it before
And I'll see it again
Yes I've seen it before
Just little bits of history repeatingSome people don't dance if they don't know who's singing
Why ask your head? It's your hips that are swinging
Life's for us to enjoy
Woman, man, girl and boy
Feel the pain, feel the joy
Aside set the little bits of history repeatingJust little bits of history repeating
And I've seen it before
And I'll see it again
Yes I've seen it before
Just little bits of history repeating
