

# Somebody Loves You

[Dean Martin](#)

Somebody loves you, I want you to know  
Longs to be near you where ever you go  
Somebody loves you and right from the start  
Happiness flew into someone's heart  
Somebody loves you each hour of the day  
When you're around dear or when you're away  
Somebody loves you sweetheart, can't you see?  
And that somebody is me  
Somebody loves you each hour of the day  
When you're around dear or when you're away  
Somebody loves you sweetheart, can't you see?  
And that somebody is me  
Oh yeah, and that somebody is me
