

L-O-V-E

Wayne Newton

L is for the way you look at me

O is for the only one I see

V is very, very extraordinary

E is even more than anyone that you adore can loveIt's all that I can give to you

 Love is more than just a game for two

 Two in love can make it

 Take my heart but please don't break it

Love was made for me and youYeah, L is for the way you look, you lookin' at me

 And O is for the only one I see

 V is so very, very extraordinary

Now E is even more than any, any, any one that you adore can loveIt's all that I'm gonna give to you

 Oh, love is more than just a game for two

 Two in love can make it

 Take my heart but please don't break it

 'Cause love was made for me and you
