Hero (Red Pill Mix)

Superchic[k]

No one sits with him, he doesn't fit in
But we feel like we do when we make fun of him
'Cause you want to belong, do you go along?
'Cause his pain is the price paid for you to belong
It's not like you hate him or want him to die
But maybe he goes home and thinks suicide
Or he comes back to school with a gun at his side
And any kindness from you might have saved his life
Heroes are made when you make a choice

You could be a hero, heroes do what's right
You could be a hero, you might save a life
You could be a hero, you could join the fight
For what's right, for what's right, for what's right

No one talks to her, she feels so alone
She's in too much pain to survive on her own
The hurt she can't handle overflows to a knife
She writes on her arm wants to give up her life
Each day she goes on is a day that she's brave
Fighting the lie that giving up is the way
Each moment of courage her own life she saves
When she throws the pills out a hero is made
Heroes are made when you make a choice

You could be a hero, heroes do what's right
You could be a hero, you might save a life
You could be a hero, you could join the fight
For what's right, for what's right, for what's right

No one talks to him about how he lives
He thinks that the choices he makes are just his
Doesn't know he's a leader with the way he behaves
And others will follow the choices he's made
He lives on the edge, he's old enough to decide
His brother who wants to be him is just nine
He can do what he wants because it's his right
The choices he makes change a nine-year-old's life

You could be a hero, heroes do what's right

You could be a hero, you might save a life
You could be a hero, you could join the fight
For what's right, for what's right, for what's right

(rap)
Little Mikey D was the one in class
Who every day got totally harassed
This went on for years until he decided
That ever again would he shed another tear
So he walked out the door
Grabbed a 4.4 out of his father's dresser drawer
And said I can't take life no more
And like that a life is lost
But this ain't even about that
All of us just sat back
And watched it happen
Thinking it's not my responsibility
To solve a problem that isn't about me
This is our problem
This is just one of the daily scenarios
In which we chose to cause a riot
Instead of doing the right thing
If we make a choice
Be the voice
To those who won't speak up for themselves
How many lives would be saved
Changed, rearranged
Now it's our job
To take a shot
Now don't keep walking by
Now why didn't you try
'Cause you don't want to exist
And never be seen
So let's wake up
Change the world
Our time is now

You could be a hero, (our time is now) heroes do what's right
You could be a hero, (our time is now) you might save a life
You could be a hero, (our time is now) you could join the fight
For what's right, for what's right, for what's right
