Heart Wrecking Animals

Georgia

I wish I could get it right
Then I spend all day with you
I look into your eyes
I see me in you
But it was more like a heart in a wrecking ball
Coming in floating out of the sky
You holding me like an animal
So in love but we could never fly
Oh I oh I
We could be more than just good friends
We can be anything if we really try
Oh I
But it was more like a wrecking ball
Covered up and filling into the night
We lifted it up and took it like a solar most
But I never really wanted to try
Oh I oh I mhmm
Mhmm but it was more like just a wrecking ball
Coming up and floating up into the night mhmm
You holding me like an animal
It was never really far from the stars
Oh why
Oh why
It was more like an animal
Oh why
It was more like an animal
Oh why
