

# Show Me

Joe Tex

Show me a man that's got a good woman  
Show me a man that's got a good woman  
Show me a man that's got a good woman  
Show me a man that's got a good woman  
Show me a man that's got a good woman  
Show me a man that's got a good woman

Show me a man that's got a good woman  
I'll show you a man that don't know what harm is  
He knows he's got some sweet loving comin'  
At the end of his workin' day

Show me a woman that's got a good man, show me  
I want to see a woman out there that claim she got a good man, show me  
Show me a woman that's got a good man, show me  
Show me a woman that's got a good man, show me  
Show me a woman that's got a good man, show me  
Show me a woman that's got a good man, show me

Show me a woman that's got a good man, show me  
And I'll show you a woman doin' all she can  
To make life livin' for her good man  
So his troubles don't cross his mind

Show me two people that's in love with each other, show me  
Show me two people that's in love with each other, show me  
Show me two people that's in love with each other, show me  
Show me two people that's in love with each other, show me  
Show me two people that's in love with each other, show me

Show me two people that's in love with each other  
And I'll show you two people that ain't goin' no further  
And their arms could reach to hold one another  
Let them lovin' alone, yea
