

# Time To Burn

## The Rasmus

Come on  
Fear of the dark tears me apart  
Won't leave me alone and time keeps running out

Just one more life, I'm so sick and tired  
Of singing the blues, I should turn my life around  
Come on

Tell me why do I feel this way  
All my life I've been standing on the borderline  
Too many bridges burned  
Too many lies I've heard  
I had life but I can't go back  
I can't do that, it will never be the same again  
And I know I don't  
Have any time burn...  
Come on

They follow me home, disturbing my sleep  
But I'll find a place, place where they cannot find me  
Maybe I'm lost, and maybe I'm scared  
But too many times I've closed the doors behind me

Tell me why do I feel this way  
All my life I've been standing on the borderline  
Too many bridges burned  
Too many lies I've heard

I had life but I can't go back  
I can't do that, it will never be the same again  
And I know I don't  
Have any time burn

Leave it all behind  
Cross the borderline  
Face the truth, don't have any time to  
Have any time to burn

Tell me why do I feel this way  
All my life I've been standing on the borderline

Too many bridges burned  
Too many lies I've heard

I had life but I can't go back  
I can't do that, it will never be the same again  
And I know I don't  
Have any time to burn...have any time to burn

Tell me why do I feel this way  
All my life I've been standing on the borderline  
Too many bridges burned  
Too many lies I've heard  
I had life but I can't go back  
I can't do that, it will never be the same again  
And I know I don't  
Have any time to  
Have any time to burn [Repeat x2]

Come on
