

# Lighter

## Sky Saxon

I don't want to fallâ€™ any faster  
Than the world spinning roundâ€™  
I've been washing down  
Take it as it comes, live life lighterâ€™  
I donâ€™t want to feel, not today. â€™  
All my times a waste

Glitter and goldâ€™ who do you want to be?â€™  
Purple yellowâ€™ how do you want to feel?â€™  
Let it go

I donâ€™t want to roll any faster  
Than the world spinning roundâ€™  
Everyone come downâ€™

People relax

Glitter and goldâ€™ who do you want to be?â€™  
Purple yellowâ€™ how do you want to feel?â€™  
Let it go

Who are you fooling, child?
