

Germany

Zeromancer

Some days are just a copy
Of a day you had before
You flash yourself thinking
You can't take it anymore And never feels more alone
When you're in a crowded room
And bang your head to a wall
You feel nothing, nothing at all Just want to feel the same
Just want to feel the same Just want to feel the same
Just want to feel the same Some things will never change
Just want to feel the same
Just want to feel the same Some things will never change
Just want to feel the same
Just want to feel the same Always knew you'd be a star
And now I know that's what you are
And we cry to a new beginning
We deny a new beginning So let me introduce to you
This favorite play of mine
A comedy called Germany
You may not understand The funny thing it's about someone
Who's never been alone
Just trying to be a friend
So you can start all over again Some things will never change
Just want to feel the same
Just want to feel the same Some things will never change
Just want to feel the same
Just want to feel the same Always knew, you'd be a star
And now I know that's what you are
And we cry to a new beginning
We deny a new beginning Always knew, you'd be a star
And now I know that's what you are
And we cry to a new beginning
We deny a new beginning
