The Man

N*E*R*D

You can crush me
Control me
Harass me
Deny me
Enslave me in chains
But you will never hold me
Blind me
Defy me
Crush me
Control me
Harass me
Deny me
Enslave me in chains
You can crush me
Control me
Harass me
Deny me
Enslave me in chains
But you will never hold me
Remind me to find me to tear me appart
'cause you and I both knowThere's someone that we all know
All been punched by the wounds won't show
Be thankful that I'm taking time
To warn you about a path that could be detrimental
To your heart, pride, love and pain
Deep scars that will never heal again
He'll consume you
You don't want to play
I assure you
He'll put you under his spell
(that's the bad guy)
If the plan goes well
(that's the bad guy)
Hypnotize
Playing jedi tricks on your mindYou can crush me
Control me
Harass me
Deny me
Enslave me in chains

But you will never hold me
Blind me
Defy me
Crush me
Control me
Harass me
Deny me
You can crush me
Control me
Harass me
Deny me
Enslave me in chains
But you will never hold me
Remind me to find me to tear me appart
'cause you and I both knowNow cut the sinnin' kin when he's around
Don't be no slave to the scoundrel
Use you and expose your inner fears
And then he's done here
Dressed in silk
But tangled in his web
Sucked dry
Don't say your surprised.
He'll consume you
You don't want to play
I assure you
He'll put you under his spell
(that's the bad guy)
Assume his plan will go well
(say good night to the bad guy)
Hypnotize
Playing jedi tricks on your mind.You can crush me
Control me
Harass me
Deny me
Enslave me in chains
But you will never hold me
Blind me
Defy me
Crush me
Control me
Harass me
Deny me
You can crush me
Control me
Harass me

Deny me
Enslave me in chains
But you will never hold me
Remind me to find me to tear me appart
'cause you and I both know
You're the man(who knows what evil lurks in the hearts of men? muahahaha)Enslave me in chains
But you will never hold me
Enslave me in chains
But you will never hold meYou can crush me
Control me
Harass me

Deny me
Enslave me in chains
You can crush me
Control me

Deny me
Enslave me in chains
But you will never hold me
Remind me to find me to tear me appart
'cause you and I both know

Enslave me in chains
But you will never hold me
Blind me
Defy me
Crush me
Control me
Harass me
Deny me
Enslave me in chains
You can crush me
Control me
Harass me

Deny me
Enslave me in chains
But you will never hold me
Remind me to find me to tear me appart
'cause you and I both know
You're the man
'cause you and I both know
(the man)
