Love In the 90z

[Mack Wilds](#)

I was a fresh prince back in the summer days
I Love the Nia Long Type, yeah
You had them daisy dukes that's stop below the waist
Showing off your bikini line
And I know, oh, oh, oh, oh, oh
That you, you got a thing for the young boy
And I know, oh, no no oh,
That you, fuck with dudes in them fast cars, ahSunshine is falling, your body is calling
Them panties is coming off
Put on some 12 play, go half on a baby
Why don't we fall in love?
Like we did in the 90z
Like we did in the 90z
When TLC was too proud to beg
When that nigga Keith made you sweat
Back when Jordan seats aint forever
My lady, you be my baby, like the 90z
Like we did in the 90z 90z
Oh yeah, yeahOn The B-Ball court watching homies play
You already know that I'm rocking a fresh pair
Of jays
Bamboo earrings and High top fades
Is what comes to mind when I think about the way
That you got me
And I know, oh, oh, oh, oh, oh
That you, you got a thing for the bad boys
And I know, oh, oh, oh, oh, oh
That you, fuck with dudes in them fast cars, ahSunshine is falling, your body is calling
Them panties is coming off
Put on some 12 play, go half on a baby
Why don't we fall in love?
Like we did in the 90z
Like we did in the 90z
When TLC was too proud to beg
When that nigga Keith made you sweat
Back when Jordan seats aint forever
My lady, you be my baby, like the 90z
Like we did in the 90z 90z
Oh yeah, yeahFeeling you just because, Give me that 90's love

Kissing, feeling on your butt ,baby you gonna fall in love
Feeling you just because, Give me that 90's love
Kissing, feeling on your butt ,baby you gonna fall in loveAnd I know, oh, oh, oh, oh, oh
That you, you got a thing for them bad boys
And I know, oh, oh, no no no
That you, fuck with dudes in them fast cars, ahLike we did in the 90z
Like we did in the 90z
When TLC was too proud to beg
When that nigga Keith made you sweat
Back when jordan seats aint forever
My lady, you be my baby, like the 90z
Like we did in the 90z, 90z
Oh yeah, yeah!
