

# Within

## AQUAvine

Cry without tears  
See without sight  
Night without day  
And every day's black as the night  
Fly without wings  
Feel without touch  
Touch without feel  
And everywhere nothing is real  
I wanna see from within  
I wanna be where I've been  
I wanna truth not a lie  
I wanna live 'fore I die  
Life without death  
World without F  
Sleep without dreams  
And nothing is quite what it seems  
I want something more than you'll know  
Follow myself and go where you can never go  
And I see though my eyes are closed  
I wanna see from within  
(Cry without tears, see without sight)  
I wanna be where I've been  
(Night without day, and everywhere nothing is real)  
I want a truth not a lie  
I wanna live 'fore I die  
(Touch without feel and everywhere nothing is real)  
Inside you without your blessing  
Inside me is me confessing  
Outside you is outside me  
And inside there is no guarantee, no  
I wanna see from within  
I wanna be where I've been  
I wanna truth not a lie  
I wanna live 'fore I die  
I wanna see from within  
(Life without death, world without F)  
I wanna be where I've been  
(Sleep without dreams, and nothing is quite what it seems)  
I wanna truth not a lie

I wanna live 'fore I die  
(I want something more than you'll know)  
(Follow myself and go where you can never go)  
Cry without tears  
Night without day
