

# Rejoice

U2

It's falling, it's falling  
And outside a buildings  
Are tumbling down  
And inside a child on the ground  
Says he'll do it again And what am I to do?  
What in the world am I to say?  
There's nothing else to do  
He says he'll change the world someday  
I rejoice This morning I fell out of bed  
When I woke up to what he has said  
Everything's it's crazy  
But I'm too lazy to lie And what am I to do?  
Just tell me what am I supposed to say?  
I can't change the world  
But I can change the world in me  
If I rejoice, rejoice And what am I to do?  
Just tell me what am I supposed to say?  
I can't change the world  
But I can change the world in me  
If I rejoice I don't know what to change  
Rejoice, [Incomprehensible]  
[Incomprehensible]  
Rejoice, rejoice, rejoice, rejoice, rejoice
