## Breaking Benjamin

I've got a little red bow  
And I bought it for you  
'Cause I know you're not fair  
I don't get it, oh well  
And you color my skin  
And the colors don't blend  
'Cause I'm gonna get you  
And your little dog too  
There's a yellow brick road  
That we follow back home  
And I know you can't wait  
Your belligerent hate  
There's no place like home  
There's no place like home  
Like home  
I've got a Southern belle too  
And ruby red shoes  
With a body of straw  
Are you sick of it all?  
There's a man made of tin  
With an oil can grin  
I'm gonna get you  
And your little dog too  
There's a yellow brick road  
That we follow back home  
And I know you can't wait  
Your belligerent hate  
There's no place like home  
There's no place like home  
There's a little white porch  
And you wanted it so  
And you let me go down  
To the end of the road  
And the black and the white  
A technicolorful life  
Can I stand by your side?  
We can make it alright  
Like home  
'Cause I'm home  
There's a little white porch  
And you wanted it so  
You let me go down  
To the end of the road  
And the black and the white  
A technicolorful life  
Then another arrived

It's a cowardly lion What I want from this world?

What I wanna resolve?

When I want you to stay

So I want you to wait

I wanna be bold

I wanna be cold

I wanna grow old

I wanna go home
