# Motion Suggests

## Pavement

I traced my family line
It ends up where the
Window-passing grainy days
Forgetting she's away
Here's the straight and narrow
Brought my wheelbarrow
And it's filled with the lies
And the dirt and the hurt
But I won't need someone to let me be
I won't need someone to let me be
Up up the counting thrones
And the voice could soothe your
Captivate the senses like a ginger ale rain
Those who've got the mirror
Curse the tainted pharaohs
Take off!
Respect fun, you might learn how it runs
But I won't need someone to let me be
No I won't need someone to let me be [x2]
No I won't need someone to let me go
Let me breathe
