

Everybody (Pete Heller's Phela Vox Mix)

[Martin Solveig](#)

Everybody run, everybody knows,
Everybody pull the gun, everybody rolls,
Everybody skip, everybody choose,
Everybody sticks and everybody loose,
Everybody's favours, everybody waits,
Everybody's gorgeous and everybody fakes,
Everybody's screaming, everybody's blind,
Everybody could be dying, anybody fine. Is this a mirror of myself,
Am I somebody else,
I don't wanna be...everybody! Everybody..Everybody run, everybody knows,
Everybody pulls the gun, everybody rolls,
Everybody skips, everybody choose,
Everybody sticks and everybody loose, Everybody's jealous, everybody objects,
Everybody's anxious, everybody forgets,
Everybody's asking for everybody's aid,
Everybody's bonking unless everybody's paid Is this a mirror of myself,
Am I somebody else,
I don't wanna be...everybody!
Is this a mirror of myself,
Am I somebody else,
I don't wanna be...everybody! everybody !
come on!
come on!
come on!
