

Heartbreak Horizon

[AlunaGeorge](#)

Step on it like a taxi driver
Not gonna tell you which way to go
I'll just give you my destination
Only 'cause you can take it slow I'm way ahead of you (way ahead of ya, way ahead ya)
So keep your eyes on the road (if I catch ya, if I catch ya)
If I catch you in the rearview mirror (don't let ya, don't let ya)
Don't let your mind unfold Kill the map and let the meter run
Kill the map and let the meter run
Get lost and ride into the sun
Let you know when we're done
Get me outta here right now
Gotta find a way, don't care how
Get lost and ride into the sun
To the heartbreak horizon Just when I feel the wind whip in my hair
You can work it out, how fast to go
Use some real life communication
Lucky I know what words don't show I'm way ahead of you (way ahead of ya, way ahead ya)
So keep your eyes on the road (if I catch ya, if I catch ya)
If I catch you in the rearview mirror (don't let ya, don't let ya)
Don't let your mind unfold Kill the map and let the meter run
Kill the map and let the meter run
Get lost and ride into the sun
Let you know when we're done
Get me outta here right now
Gotta find a way, don't care how
Get lost and ride into the sun
To the heartbreak horizon
Kill the map and let the meter run
Kill the map and let the meter run
Get lost and ride into the sun
Let you know when we're done
Get me outta here right now
Gotta find a way, don't care how
Get lost and ride into the sun
To the heartbreak horizon Pain falls away 'til I
Can't find a way after
Heartbreak horizon
Take me there
Don't put the breaks on me

You know the way to the
Heartbreak horizon
Heartbreak horizon Kill the map and let the meter run
Kill the map and let the meter run
Get lost and ride into the sun
Let you know when we're done
Get me outta here right now
Gotta find a way, don't care how
Get lost and ride into the sun
To the heartbreak horizon
Kill the map and let the meter run
Kill the map and let the meter run
Get lost and ride into the sun
Let you know when we're done
Get me outta here right now
Gotta find a way, don't care how
Get lost and ride into the sun
To the heartbreak horizon
