

Ord Shuffle

Dragon Tales

He's the truest, bluest, friend you've ever have
Oh hop aboard the back of Ord
You know it won't be bad
He'll do the loop-de-loop right through the air
With a great big laugh and a
Oh yeah!

Do the Ord shuffle.
Round and Round we go
Do the Ord shuffle
Round and Round we go
He'll give you great big hugs
But don't mention bugs!
Do the Ord shuffle

He's the coolest (coolest), sweetest (sweetest), dragon in the land
And if you ever need a friend, my friend, you know he's there to lend a hand (that's right)
He'll do the loop-de-loop right through the air
With a great big laugh and a
Oh yeah!

Do the Ord shuffle.
Round and Round we go
Do the Ord shuffle
Give into the flow
He really loves to eat
And he's light on his feet.
Do the Ord Shuffle

Shuffle to left!
Shuffle to the right!
Glide across the floor!
Kind-a nice and light!

He really loves to eat
And he's light on his feet.

Do the O-R-D Shuffle

That's Ord!
