

The Light Behind Your Eyes

My Chemical Romance

So long to all of my friends,
Everyone of them met tragic ends,
With every passing day,
Id be lying if I didnt say,
That I miss them all tonight
And if they only knew what I would say,
If I could be with you tonight
I would sing you to sleep,
Never let them take the light behind your eyes
One day, Ill lose this fightAs we fade in the dark, just remember you will always burn as
BrightBe strong, and hold my hand.
Time becomes for us, youll understand.
Well say goodbye today,
And were sorry how it all ends this way
If you promise not to cry, then I will tell you just
What I would say
If I could be with you tonight,
I would sing you to sleep,
Never let them take the light behind your eyes.
Ill fail and lose this fight,
Never fade in the dark
Just remember that you will always burn as bright.
The light behind your eyes.the light behind your-
Sometimes we must grow stronger and,
You cant be stronger in the dark.
When Im here, no longer, you must be stronger
And if I could be with you tonight,
I would sing you to sleep,
Never let them take the light behind your eyes.
I failed and lost this fight,
Never fade in the dark,
Just remember you will always burn as bright.The light behind your eyesthe light behind your eyesthe light
behind
Your eyesthe light behind your eyesThe light behind your eyesthe light behind your eyesthe light behind
Your eyesthe light behind your.the light behind your eyesThe light behind.....|||
