Let It Go (Boysenberry Edit)

James Bay

From walking home and talking loads
Seeing shirts in evening clothes with you
From nervous touch and getting drunk
To staying up and waking up with youNow we're slipping near the edge
Holding something we don't need
Oh, this delusion in our heads
Is gonna bring us to our kneesSo come on, let it go
Just let it be
Why don't you be you
And I'll be meEverything that's broke
Leave it to the breeze
Why don't you be you
And I'll be meAnd I'll be meFrom throwing clothes across the floor
To teeth and claws and slamming doors at you
If this is all we're living for
Why are we doing it, doing it, doing it anymore?I used to recognize myself
It's funny how reflections change
When we're becoming something else
I think it's time to walk awaySo come on, let it go
Just let it be
Why don't you be you
And I'll be meEverything that's broke
Leave it to the breeze
Why don't you be you
And I'll be meAnd I'll be meTryna fit your hand inside mine
When we know it just don't belong
There's no force on earth
Could make it feel right, noTryna push this problem up the hill
When it's just too heavy to hold
Think now is the time to let it slideSo come on, let it go
Just let it be
Why don't you be you
And I'll be meEverything that's broke
Leave it to the breeze
Let the ashes fall
Forget about meCome on, let it go
Just let it be
Why don't you be you
And I'll be meAnd I'll be me
