

Right Where You Want Me (Junior Caldera Remix)

Jesse McCartney

Girl, there's somethin' 'bout me things you ought to know
I've never felt the need to lose control
Always held on back and played it slow, but not this time
Baby, don't be gentle, I can handle anythingBaby, take me on a journey, I've been thinkin' lately
I could use a little time alone with you
Crazy, let's do something maybe, please don't take your time
You got me right where you want meOoh, right where you want me, woah, woahGirl, I'm gonna let you have
your way with me
But when you move like that it's hard to breathe
I never thought that it could be like this, but I was wrong
Baby, don't be gentle, I can handle anythingBaby, take me on a journey, I've been thinkin' lately
I could use a little time alone with you
Crazy, let's do something maybe, please don't take your time
You got me right where you want meCan't explain it, how you swept me
Off my feet unexpectedly, in slow motion
My imagination's on me, tryin' to keep my body still
Oh, I can hardly stand the thrill, yeahWell, baby, don't be gentle, I can handle anythingBaby, take me on a
journey, I've been thinkin' lately
I could use a little time alone with you
Crazy, let's do something maybe, please don't take your time
You got me right where you want meBaby, take me on a journey, I've been thinkin' lately
I could use a little time alone with you
Crazy, let's do something maybe, please don't take your time
You got me, whoa, you got me right where you want me
Right where you want me
You got me, whoa, right where you want me, woah
