

# Down In Flames

## BlackHawk

No one dreams in this ol town, no more  
They dont look down that windin road  
Wonderin where it goesBut when I hold you, I can see  
All the places it could lead  
They say were crazy, I dont care  
We could make it anywhereLets ride the wind  
Down this old road tonight  
Lets pack our dreams  
And leave the rest behindThey say love this hot  
Can be a dangerous thing  
Come on darlin  
Lets go down in flamesI dont know or care  
Where this road leads  
Just as long as at the end  
Its you and meWe can feel our hearts, beggin us to go  
If we dont leave now, well never know  
And if our love should crash and burn  
Well take that chance, for all its worthLets ride the wind  
Down this old road tonight  
Lets pack our dreams  
And leave the rest behindThey say love this hot  
Can be a dangerous thing  
Come on darlin  
Lets go down in flamesSo take my hand  
You know were right  
Dont look back  
Just hold on tightLets ride the wind  
Down this old road tonight  
Lets pack our dreams  
And leave the rest behindThey say love this hot  
Can be a dangerous thing  
Come on darlin  
Lets go down in flames  
Come on darlin  
Lets go down in flames
