

Leave A Scar

[Marilyn Manson](#)

It's not like I made myself a list
Of new and different ways to murder your heart
I'm just a painting that's still wet, if you touch me I'll be smeared
You'll be stained, stained for the rest of your life So turn around, walk away
Before you confuse the way we abuse each other
If you're not afraid of getting hurt
Then I'm not afraid of how much I hurt you I'm well aware I'm a danger to myself
Are you aware I'm a danger to others?
There's a crack in my soul, you thought was a smile Whatever doesn't kill you is gonna leave a scar
Whatever doesn't kill you is gonna leave a scar I'm more like a silver bullet
And I'm like a gun, not easy to hold
I'm moving fast and if I stay inside your heart
I'm certain that this will be the end of your life So turn around, walk away
Before you confuse the way we abuse each other
If you're not afraid of getting hurt
Then I'm not afraid of how much I hurt you I'm well aware I'm a danger to myself
Are you aware I'm a danger to others?
There's a crack in my soul, you thought was a smile Whatever doesn't kill you is gonna leave a scar
Whatever doesn't kill you is gonna leave a scar
Leave a scar, leave a scar
Whatever doesn't kill you gonna leave a scar She warned you that she may fuck me
But chances are I'm gonna fuck you over Whatever doesn't kill you is gonna leave a scar
Whatever doesn't kill you is gonna leave a scar
Leave a scar, leave a scar
Whatever doesn't kill you gonna leave a scar
