3 Days

Rhye

OooOooh I'm famished
So Ill eat your minerals
A rabid beast at a foolish feast
Ill steal your breath
Twisted thief with a mangled glove
It's just my nature I ruin love x2Stealing kisses in those misses within us??
Stealing kisses in those bloody sheets
Im killing you x2
Stealing kisses in those misses within us
Stealing kisses in those bloody sheets
Im killing you x2Mmmmmm
Theres a window in time
Three days to feel each other
Crack this vine
Its going to break, cave in on itself
Love is terminal not built to last
Burn bright, burn fast x2Stealing kisses in those misses within us
Stealing kisses in those bloody sheets
Im killing you x2
Stealing kisses in those misses within us
Stealing kisses in those bloody sheets
Im killing you x2oooh So many ways x2
