

# It All Depends On You

## Frank Sinatra

I can be happy, I can be sad  
I can be good or I can be bad  
It all depends on you  
I can be lonely out in a crowd  
I can be humble or I can be proud  
It all depends on you I can save money or spend it  
Go right on living or end it  
You're to blame honey for what I do  
I know that I can be a beggar or I can be king  
I can be almost any old thing  
It all depends on you I can be happy, I can be sad  
I can be good or I can be bad  
But depends on you  
I can be very lonely when I'm out with the crowd  
I can be humble or I can be proud  
But depends on you I can save a great deal of money or I can spend it  
Go right on living or end it  
You're to blame baby for what I do
