

# (only) Halfway To Everywhere

## The Black Crowes

You could be so energy  
Electricity  
You could be lightening  
You could be anything  
A masterpiece  
A revolutionary  
You can see what, you want to see  
Can you let it be?  
Learn or teach

[Chorus:]  
I'm only halfway to everywhere

I'm thinking positively  
Positively  
This is possible  
They can say right or wrong  
Never hear this song  
Or look you in the eye  
I'm getting rid of negativity  
Lose the loss in me  
Call it equality  
Good luck is a frame of mind  
Call it humankind  
And say its destiny
