

Broke

Mitch Woods & His Rocket 88's

Don't want you're money No dirty promise
Don't want the memories that echo in my head
You left me stranded caught you red handed
You tore my heart out left me here for dead
If I'm giving, I'm giving up
I'm empty handed you took enough (ohh ohh)
But if i had a dime for every single you ever made me cry I'd be a millionaire
If i had a dime for every single time i should of said goodbye I'd be a millionaire
But i don't don't cuz you left me Broke
But i don't don't cuz you left me Broke
My love is priceless can't buy my time back
So let's forget all our regrets and keep the change
You don't define me only remind me
I'd rather beg then live that lie with you again

If I'm giving, I'm giving up
I'm empty handed you took enough (ohh ohh)
But if i had a dime for every single you ever made me cry I'd be a millionaire
If i had a dime for every singe time i should of said goodbye I'd be a millionaire
But i don't don't cuz you left me Broke
But i don't don't cuz you left me Broke
Youuuuu had it all but all I am is not enough
So I'm taking back my heart
I'm richer without you with nothing (nothing) nothing (nothing) nothing
But if i had a dime for every single time you ever made me cry I'd be a millionaire
If i had a dime for every singe time i should of said goodbye I'd be a millionaire
But i don't don't
But i don't don't (ohhh ohh)
But i don't don't (cuz you left me Broke, you know you left me Broke)
But i don't don't (ohhh ohh)
