Turn the Lights Off (feat. Jon)

KATO

I said oh
Come on baby turn the lights offOh oh
Cuz it's getting lateI said oh
I know you're gonna try to hang toughBut oh
You shouldn't hesitateI had love to burn
You had a wounded heart
Eyes 'cross a crowded room
Should we let this startI said oh
Come on baby turn the lights offOoohh oh
Cuz it's getting lateI said oh
I know you're gonna try to hang toughBut oh
You shouldn't hesitateI had love to burn
You had a wounded heart
Eyes 'cross a crowded room
Should we let this startI said oh
Come on baby turn the lights offOoohh oh
Cuz it's getting lateI said oh
I know you're gonna try to hang toughBut oh
You shouldn't hesitateI said oh
Come on baby turn the lights offOoohh oh
Cuz it's getting lateI said oh
I know you're gonna try to hang toughBut oh
You shouldn't hesitate
