Anybody But Me

Dwarves

I don't
Give a fuck about anybody
Give a fuck about anybody
Give a fuck about anybody but me
I said I don't
Give a fuck about anybody but me
So you wanna take my trash out
Are you looking for a hand-out
Better get your little ass out
Cause you'll only be a memory
And if you wanna be a quick hit
You'll get your fucking throat slit
That ain't no bullshit, take it from me
I don't
Give a fuck about anybody but me
