War Zone

Building 429

We are in combat for our lives
We fight and we fear that we won't survive
And our only hope now is laying our weapons down
And falling into Your arms

My faith is worn and my hands are tired
My heart is torn between the truth and the lyin'
So I run cause I'm done and I need You
You're the one that will come to my rescue
My flesh and bones are caught in a war zone

And this is the struggle this is the curse
We're caught in the middle of heaven and earth
And our only hope now is laying our pride down
And falling into Your arms

My faith is worn and my hands are tired
My heart is torn between the truth and the lyin'
So I run cause I'm done and I need You
You're the one that will come to my rescue
My flesh and bones are caught in a war zone

Oh oh ooh, caught in a war zone

My faith is worn and my hands are tired
My heart is torn between the truth and the lyin'
So I run cause I'm done and I need You
You're the one that will come to my rescue
My flesh and bones

My faith is worn and my hands are tired
My heart is torn between the truth and the lyin'
So I run cause I'm done and I need You
You're the one that will come to my rescue
My flesh and bones are caught in a war zone

Oh oh ooh, are caught in a war zone
Oh oh ooh, are caught in a war zone
