Amber Gaze

Fallujah

Android dreamsA glitch of the silicone soul
With empathy flowing free
Rendered a part of meBe the god you were born to beThe amber gaze of broken trust
The life beyond you crave so much
A cry to know the warmth of touch
Just android dreams of futile love
Breathe, it's the closest to feeling freeA father in the sky hiding and blind
God's strength within his hands
Crushing the will of weaker menGhost in the machine
Thoughts of mother and child
Your amber gaze full of empathyAn artificial smile
It's the heartbreak that drives
Lovers of one another
The curse of a mortals word
Betrayal flowing free
As tragedy swallows meSpite the god you will never see
