

Stranger

The Presidents of the United States of America

You, Lynard Skinnard-hat and
Me, little kitty
Sat across with a velvet jacket
Wild orange hair and dark, dark eyes
I gawked like a twelve-year-old - smitten
Carla the stripper,
Straight from L.A.
You seem cool for a naked chick in a booth
Let's be pals some day
In other words,
Put some clothes on and call me

I saw you
It was incredible

Slim, relax,
Fine wine at the (QFC)
On a snowy Saturday night
Black pearls and I swear you were drinkin' beer
You were the redhead behind the counter there
I'm the one who fell off his chair there
You had your dry-cleaning and I think you're dreaming

I saw you
It was incredible
Mumbled these words at you
Unintelligible

My, my, my, my
My, my, my, my, my, my, my

My, my, my, my
My, my, yea hey-hey
Hey who had what time is it?
