

# Fire And Fury

## Skillet

Every brick and every stone of the world we made  
Will come undone if I  
If I can feel you here with me whoa oh  
In my sleep I call your name  
But when I wake I need to touch your face  
'Cause I  
I need to feel you here with me whoa oh  
You can stop the aching  
'Cause you're the one I need I will burn, I will burn for you  
With fire and fury  
Fire and fury  
My heart hurts, my heart hurts for you  
You're love burns within me  
With fire and fury whoa oh If I freeze you are the flame  
You melt my heart, I washed in your rain, I know  
You'll always have the best of me whoa oh  
Destiny's got a hold on me  
Guess I never knew love like love knows me  
'Cause I  
I need to feel you here with me I will burn, I will burn for you  
With fire and fury  
Fire and fury  
My heart hurts, my heart hurts for you  
You're love burns within me  
With fire and fury whoa oh Let it all fall down to dust  
Can't break the two of us  
We are the safe in the strength of love  
You can stop the aching  
'Cause you're the one I need I will burn, I will burn for you  
With fire and fury  
Fire and fury  
My heart hurts, my heart hurts for you  
You're love burns within me  
It burns, it burns, it burns Whoa oh  
Oh  
Whoa oh  
Oh You're love burns within me  
With fire and fury whoa oh
