

Roll Baby Roll

Duquette Johnston and the Rebel Kings

swinging in the jungle
never stop the turntable madness
ready to blast yeah if you wanna get the vibe
just come and take a taste
cuse time is going quick
and theres no time to waste
falling deeper in to your hole
just go ahead and rolly say hi you say hello
i say yes you say no
i say wistle you just blow
so roll baby rolly say hi you say hello
i say yes you say no
i say wistle you just blow
so roll baby roll we leave a break and a smile
inside the venue
this ones dedicated to the junglist crew
feel the bass drop vibrating you spirit
if you see a speaker come here n get near it
ride again ride again
roll again roll again
bass the jungle dance and bounce baby bounce let me hear ya! i say hi you say hello
i say yes you say no
i say wistle you just blow
so roll baby rolly say hi you say hello
i say yes you say no
i say wistle you just blow
so roll baby roll
