

My Plants Are Dead

Blonde Redhead

I Heard You On The Radio
I Said They Are My Friends
Do You Want Your Keys?
Your Plants Are Dead
How Long You In Town For?
I Saw Your Petit Chien
She Didn't Come With You?
What You've Been Listening To? I Woke Up This Morning
Didn't Feel For A Part
I Let The Boys Party
But I'm Just Gonna Chill
But I'd Love To See You
Before I Leave
I Leave Next Weekend
I'm Not Ready To Go Tell Me About You Tell Me About Harty
You Know What I Heard Between You And I I Woke Up This Morning
Didn't Feel For A Part
I Let The Boys Party
But I'm Just Gonna Chill
But I'd Love To See You
Before I Leave
I Leave Next Weekend
I'm Not Ready To Go
