

# Bump (Chartstalker Remix)

## Baby Blue

I can never understand why you ask me  
My heart is dying in your hands but my heart beats  
It goes bump bump bump bump, bump bump bump  
It goes bump bump bump bump, bump bump bump)Ugh, I can feel my heart beating  
I've been sitting on the floor just pleading  
So emotional  
All the times I said, baby don't leave me  
You're so cold to me, so so so so so cold to me  
I think back to the times you were holding me  
And I let the feeling wash over meI was just trying to give you what you need  
Why couldn't you do the same for me  
But you were lying in front of my eyes  
You were fuckin' that girl on the other side  
And now I'm going so out of my mindAnd I can never understand why you f-ed me  
My heart is dying in your hands but my heart beats  
It goes bump bump bump bump, bump bump bump  
It goes bump bump bump bump, bump bump bump  
And I can never understand why you told lies  
I wanna move on but I can't for my heart cries  
It goes bump bump bump bump, bump bump bump  
It goes bump bump bump bump, bump bump bumpI can feel my hands shaking  
That's the anger building up inside me  
In my head I'm just waiting  
I look up and our eyes meet, oh  
Someone say something  
Someone please say something please  
How'd you leave us in this mess here  
How many of the lies did I believeI was just trying to give you what you need  
Why couldn't you do the same for me  
It's like I'm looking at a stranger now  
I hear my voice bumping so loud  
I just want to get you out of my houseAnd I can never understand why you f-ed me  
My heart is dying in your hands but my heart beats  
It goes bump bump bump bump, bump bump bump  
It goes bump bump bump bump, bump bump bump  
And I can never understand why you told lies  
I wanna move on but I can't for my heart cries  
It goes bump bump bump bump, bump bump bump  
It goes bump bump bump bump, bump bump bumpAll the lies you were telling me

But you were actin' so lovable  
You're getting away with murder  
You must have loved it  
You were thinking this girl is so gullible  
Should have left a long time ago  
But I was loyal, I played my part  
A little piece from the broken heart  
And I can never understand why you f-ed me  
My heart is dying in your hands but my heart beats  
It goes bump bump bump bump, bump bump bump  
It goes bump bump bump bump, bump bump bump  
And I can never understand why you told lies  
I wanna move on but I can't for my heart cries  
It goes bump bump bump bump, bump bump bump  
It goes bump bump bump bump, bump bump bump
