

# How Lucky Can a Man Get

Gavin DeGraw

I want you to love me like the first time, yeah  
I want you to love me like the sun shines, yeah-heah  
Girl, I'm goin' make you feel good  
Love you like a red blooded man should  
Girl, I wanna love you like the first time Listen I just wanna tell ya  
You got the kiss that I wanna taste  
When we walk by all the people say  
How lucky can a man get?  
I wanna rock, I wanna roll  
God help me, can you save my soul?  
When you touch me I go losin' control  
How lucky can a man get?  
Straight to the top  
Pot full of gold  
Like honey can be nice and tough  
Sweet sugar she my miracle  
How lucky can a man get? I want you to love me like the first time, yeah  
Really keep me guessin' till I, till I cross the line  
I'll take you back to my roots  
Kiss you while I'm singin' Blue Suede Shoes  
Girl, I wanna love you like the first time, oh! Listen I just wanna tell ya  
You got the lips that I wanna taste  
When we walk by all the people say  
How lucky can a man get?  
I wanna rock, I wanna roll  
God help me, can you save my soul?  
When you touch me I go losin' control  
How lucky can a man get?  
Straight to the top  
Pot full of gold  
Like honey can be nice and tough  
Sweet sugar she my miracle  
How lucky can a man get? Ooh ooh  
In the name of all the love you give me  
You're the one to bring out somethin' in me  
Shine your light on all the things we could be  
We could be  
We could be  
(Ya, ya, ya, ya, ya) I wanna ride, I wanna hold (I wanna ride)

God help me, can you save my soul? (save my soul)  
When you touch me I go losin' control (lose control)  
How lucky can a man get? (can a man get)  
Straight to the top (oh, straight to the top)  
Pot full of gold  
Like honey can be nice and tough  
Sweet sugar she my miracle (what)  
How lucky can a man get? (can a man get)  
How lucky can a man get? (Ooh)  
How lucky can a man get? (Ooh)  
How lucky can a man get? (Ooh)  
How lucky can a man get? (Ooh)  
How lucky can a man get? (Ooh)  
(Can a man get, can a man get, can a man get, can a man get?)
