Exit Music (For a Film) [Remastered]

Radiohead

Wake from your sleep The drying of your tears Today we escape We escapePack and get dressed Before your father hears us Before all hell Breaks looseBreathe, keep breathing Don't lose your nerve Breathe, keep breathing I can't do this alone Sing us a song A song to keep us warm There's such a chill Such a chill And you can laugh A spineless laugh We hope your rules And wisdom choke youAnd now we are one in everlasting peace We hope that you choke, that you choke Song Discussions is protected by U.S. Patent 9401941.
