Morning Sun

George Duke

i wanna see yoor face in the morning sun
i wanna have no doubts baby youre the one
well i wanna be wit chu when we get thru
mmmmmmm
the way i feel when loves brand new
yes i'll love you on a bright & shiny day
and ill need you when my dreams begin to stray
more than ever
ill need you more than a day
sharing my life
i know we'll find a way
i see me & you at a bbq
i see lots of people watching you
youy dance around spin every where
i just love your face & that natural hair
i wanna make you happy 7 stay a while
